NEW farmhouse with open floor plan, 5 inch hardwood floors throughout the entire home and loads of natural light. No detail overlooked, the kitchen is a delight with it's 48 inch chef's grade stove with 8 burners plus griddle and dbl oven, island, wine frig, walk in pantry & mudroom. The master is dreamy with it's custom closet & deluxe en-suite w/large shower, soaking tub & private balcony. Secondary bedrooms have great closets too. The wrap around rocking chair front porch, great back deck, fenced in yard and professional landscaping makes this one a must see. Great schools!
