Amazing lake home with fantastic upgrades! Private dock to laze away the day. Brazilian hardwood parquet flooring in hall & kitchen; bamboo flooring in Fam Room; very open main level with great lake views! New roof, HardiPlank siding, windows/doors/sliders, 2 new A/C units, new decking, updated kitchen, this home is cherry! Master bedroom has private fireplace and updated bath; lower level has one of the nicest screen porches around. Nice combination of lake & wooded lot, affords privacy in serene, natural setting. Tons of space too - a lot of house for the money!
