Four sided brick ranch located at the end of a Fayette county quiet cul-de-sac is ready for new owners! This home, on over 3.7 acres and two lots, (please check) has plenty of storage. Not only is there an exterior boat door to an unfinished basement, but there is a detached storage garage and an outbuilding. Enjoy the tranquil views of this land from the eat-in kitchen or from the the living room anchored by a wood burning stove that can heat the entire house. The attached garage has been converted to additional living space which is wonderful for exercising and family gatherings. Easy to show..
