Attractive New England traditional, freshly painted, on lovely landscaped lot! And you will be pleasantly surprised by the soaring 2-story great room, with bookshelves, a chunky wood mantle, & a large flagstone fireplace & hearth...great place to congregate! Master on main level, 3 bedrooms upstairs; separate dining room; office between kitchen & garage; kitchen has newer stainless steel appliances and a bright eat-in area; nice deck overlooking usable yard. Lots of closets. Water heater replaced in 2016. Great entry-level opportunity in upscale Horseshoe Bend!
