You'll instantly feel at home in this nearly new 4 bedroom, 3 bath beauty. The kitchen is a chef's dream that opens to the living room. It features granite counter tops, island, stainless steel appliances, gas stove and double ovens. The main floor features a beautiful dining room, den and additional bedroom. Upstairs is the oversized master suite with generous closet space, 2 bedrooms and flex space. A full unfinished basement, stubbed for bath is waiting for your finishing touches. The back deck overlooks the peaceful, wooded back yard, complete with babbling brook.
