Peaceful bungalow offers the best value in the neighborhood. The front door leads to a welcoming formal living room adjoining a sun room and a well-lit dining room. In addition to two cozy bedrooms, the main level offers a bright kitchen open to the family room & the most magnificent screened porch overlooking the private backyard. The upper level boasts a spacious master suite and balcony. The unique lower level (interior and exterior entry) offers two additional bedrooms each with its own bathroom, another screened porch, as well as plenty of storage. Fabulous HOME!
