Exquisitely updated home with the highest quality finishes and the greatest attention to detail for the most discerning buyer. Sellers invested over \$150,000 in upgrades since purchasing home. Additional shower on main, not counted in MLS, makes office on the main floor the perfect potential for an in-law suite. A fully finished basement with a bar, tv room/play room, bonus room, bedroom, and half bath is an entertainers dream. Home offers beautifully maintained landscaping with a private leveled fenced-in backyard with excellent East Cobb county schools. A must see!
