This grand home offers a convenient location with a rural setting on almost 1 acre of beautifully landscaped property. Close to the new, upcoming Halcyon shopping/dining development. Parking pad, two car garage with side entry and a detached two car garage with a workshop/bonus room above. The entrance is breathtaking as you walk through the two story foyer. Gorgeous hardwoods and plenty of natural lighting throughout the main floor. Expanded his and hers closets in the owner's suite. Don't miss the full gardener's bathroom in the garage. Extras include, a water purifier system, irrigation system, smart thermostat, a two year plus year warranty and a one year old HVAC with a lifetime warranty.
