Popular swim/tennis community located just minutes away from the much-anticipated Halycon "Live, Work, Play" scheduled for completion in just a few short weeks.. This well maintained popular floor plan is great for easy living and great entertaining. Large kitchen with granite counter tops, flows to the open concept dining and great room complete with a fireplace and access to the outdoor patio. The entrance to the neighborhood sets the tone for the upscale amenities and architectural design of the community. Relax and enjoy the community and surround areas. The HOA fees cover the beautifully designed amenities area, trash pick up, yard and common area maintenance. The exterior of the home was painted in March 2019. The inside of the home has designer washable paint colors thru out. Hardwoods thru out the main level of the home. Oversized master bedroom with walk in closet. Large secondary bedrooms with large closets. Garage has room for 2 cars and work bench area. Oversized kitchen...
