Gorgeous new construction in the heart of Sandy Springs! Attention to detail can be seen in every inch of this custom home. Walk in to a grand two story foyer that flows seamlessly into your dining and office (could be 6th bedroom) on either side. Walk straight back into your open concept living, kitchen and breakfast nook with large picture windows over looking your private covered porch with fireplace and backyard. Spacious cabinets line the kitchen, top of the line Thermador appliances and large island to be the centerpiece of your living area. On the second level you will find a serene owners suite fitted with marble clad bathroom, a private treehouse deck and full laundry/utility room. On the next level, one junior suite and two more bedrooms with jack and jill style bathroom. All bedrooms have custom closets. Walk down to the basement and enjoy another living space featuring a bedroom, full bath, kitchenette and room for a theatre. Home is outfitted with smart home capabilitie...
